VISOKA ŠKOLA STRUKOVNIH STUDIJA ZA INFORMACIONE I KOMUNIKACIONE TEHNOLOGIJE

1. Opis funkcionalnosti

Sajt je organizovan u vidu prostog bloga. Posetilac sajta koji nije registrovan moze da cita blog postove, gleda galeriju I posalje poruku administratorima, kao I da glasa na aktuelnim anketama.

Ukoliko korisnik odluci da se registruje, pored pomenutih funkcionalnosti, dobija mogucnost da postavlja komentare na blog post kao I komentar na komentar. Korisnik koji je uneo komentar moze da ukloni svoj komentar, dok administrator moze da ukloni bilo koji komentar.

Administrator upravlja celokupnim sadrzajem sajta. Dodaje, brise, menja blog postove, korisnike, ankete, galeriju, navigacione linkove I cita poruke koji su korisnici prosledili.

Takodje, na overview strani admin panela se ucitava poslednjih 15 dogadjaja na sajtu. Dogadjaji koji se prate su glasanja na anketu, postavljanje komentara, logovanje, registracija korisnika, celokupna izmena sarzaja sajta na admin panelu. Dogadjaji sadrze korisnika, ukoliko je korisnik bio logovan za vreme dogadjaja, poruku I vreme kada je dogadjaj izvrsen.
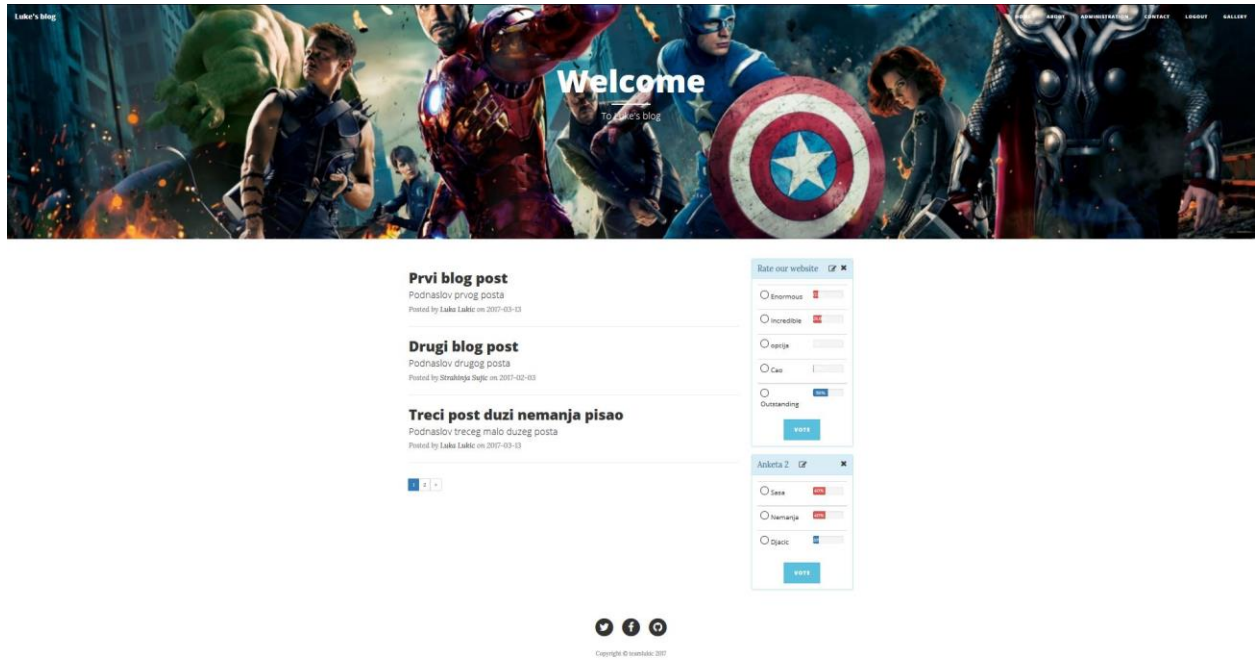

Pristup admin panelu:

Korišćeni jezici	• HTML • CSS • JAVASCRIPT • PHP • MYSQL • JSON
Korišćeni HTML šabloni (framework-ci)	Bootstrap kao framweork I kao vodic sam koristio sledeci sablon, mada je dosta stvari Izmenjeno https://startbootstrap.com/template-overviews/clean-blog/
Korišćene biblioteke i njihovi url-ovi odakle ste ih preuzeli	• jQuery • jqBootstrapValidation (https://reactiveraven.github.io/jqBootstrapValidation/) •
Korišćene biblioteke iz framework-a	• Codeigniter

VISOKA ŠKOLA STRUKOVNIH STUDIJA ZA INFORMACIONE I KOMUNIKACIONE TEHNOLOGIJE

|	
Korišćene php biblioteke van fremework-a	
Koje funkcionalnosti su realizove putem AJAX-a	Skoro ceo admin panel, anketa (slanje glasa i izmena, dodavanje, nalazi se na pocetnoj strani), slanje poruke admnistratorima
Navesti lokacije gde je napisan AJAX kod (fajlovi ili delovi html stranice)	Files/js/admin.js Files/js/script.js
Navesti lokacije gde je napisan sopstveni javaScript kod (fajlovi ili delovi html stranice)	Files/js/admin.js Files/js/script.js
URL sajta/aplikacije	www.teamlukic.com
Pristupni parametri	Username : luke Password : sifra1
